WELCOME TO

The BIG FESTIVAL FOR YOU 2015

We want Magheralin Parish to be a place of celebration for the local community, so this year we are throwing open the doors for five fantastic days of food and music, stories and soul. This is the Big Festival for You at Harvest. Join us as we celebrate together.

All the events are free!

There are festival evenings with the opportunity to 'taste and see' quality food and exceptional music, beautiful afternoon teas, a fun filled Saturday Festival Market, as well as our harvest celebrations.

At each event we will share personal stories about what makes us tick as a church community. Our guest speaker, PJ Booth, will share some good news of how God has powerfully changed lives.

With great speakers, fun events, guest musicians and lots of food, there is something for everyone. We'll give you a warm welcome!

Yours in Christ

Gareth
